

# KEEP YOUR JOHN DEERE A JOHN DEERE

SPECIAL OFFERS

SEPTEMBER  
OCTOBER

## SAW BARS AND CHAINS

Selection of John Deere saw accessories has now been updated to include Oregon® 19HX saw chains. 19HX has taller and more aggressive chamfer chisel cutters that have been designed to deliver faster cutting speed.

Optimize your saw and use 19HX saw chain together with SpeedMax™ XL -saw bars.

Ask offer for other lengths!
